Don Christian 9. X
Salaga.

This firm was founded many years ago by two German Brothers named RECHT. The business eventually passed to CHRISTIAN RECHT (son of one of the Founders) and he controlled it until his death a short time before the Civil War. About 1938 the widow was offered one million pesetas by HERR for the business, which the widow agreed to accept, but on actual completion of sale she received 750,000 pesetas - 250,000 in cash and 500,000 in shares. She died about twelve months later and it is understood the shares passed to HERR. The firm was stated to be completely under the control of HERR in 1940, and it was statutory listed on those grounds on 2.1.41.

Business: Wine Exporters

Manager: Reichter (German)

Note: A report from official sources dated 2.3.42 stated that FRANCISCO FIGUEROA, alias Mercader, of Calle Carretaria 139, Salaga, is a clerk for RECHT.

This concern was statutorily listed on 22.8.42 as being under German control - owned by Robt. Sloman Jr. of Hamburg. Inevitably in view of the nature of its business - Customs and Shipping Agents - it works closely with SOFINORSA, and it will be noted that HERNANDO KLINGENBERG, one of the Directors of SOFINORSA, also appears on the Board of BAQUERA KUSCHKE & MARTIN S.A.:-

He was endeavouring to organise a company of traffic from Portugal to France in collaboration with NISOS de JUAN ESTELLES, the Spanish Western Railway representative at various frontier stations, VIVAS of Lisbon, and the German organisation of SOFINORSA and MARION. The whole of this traffic for Germany must be authorized by the German State Railways, who have appointed SOFINORSA to give permits in Portugal and MARION in Spain.

JOY ILLIAG is reported to be forwarding Agent for Danner & Co. Frankfurt/Main.

Dear

Your letter CL/ 4838/V.D. of 29.11.41 and Part's previous letter, both on SOPINDUS. Could you try in the first instance to obtain these glossaries, etc. from M.E.W. through your own links. If you cannot make headway, Guy Liddell says he will certainly apply to Farrer for you, but it may cause a little confusion in M.E.W. if we cut across the established liaisons unless absolutely necessary.

Lord Farrer and Mr. J.B. Lindon, Room 422, Lansdowne House, (the latter is head of the Black List Section) appear to have most to do with SOPINDUS.

Yours sincerely,

Dear Hart,

Reference your B.1.B/H.H. of 25.11.41.

I return herewith your glossary on SOFINDUS, with many thanks. I understand Park has already asked you if you can get a copy for us, as it is of considerable interest to us.

With your permission, I am keeping your opus on MADRID for a few days longer.

Yours sincerely,

Dear

I am now enclosing:

- SOPINDUS;
- a). All the information in my possession about
 - b). A copy of my comments on the German S.S. at Madrid, showing the movement of personnel.

I would be obliged if you would return these as soon as you have done with them.

With regard to the SOPINDUS information, will you inform me (a) if you have, or if you obtain, any further information from M.E.W., because as you will see, I was invited to get in touch with Lindon (whom I know personally) about this matter. I did not do so because at that time I scarcely considered of first rank importance, at any rate to M.I.5.

You will, however, see that there are certain ships, e.g. S.S. DENNA, and also certain persons, e.g. MARVIN, which occur in our own source. It may also be that our own source can further help in the elucidation of SOPINDUS terms.

I would be glad in any case to receive your comments.

Yours sincerely,

H.L.A. Hart

Dear Philby,

Masterman here has told me that he has drawn your attention to a cable mentioned in the recent special Security Report No. 51 of 15.11.41, concerning a "Gibraltar action which is being postponed for a month". The cable was from SOFINDUS, Madrid to HISROWAK, Berlin, dated 22.10.41. I write merely to make sure that you are aware of the SOFINDUS Organization, and also of the Glossary of SOFINDUS cover-names which H.E.W. have long been busy preparing. I myself have a copy of H.E.W.'s Glossary, up to the 27th August.

If you have never seen this Glossary, there are several important points which I think should be brought to your attention, since Abwehr characters, e.g., MAWICK of Tetuan, occasionally flit through the SOFINDUS traffic. Indeed you can identify from it MAWICK as Frederico MAWICK, SCHIEFF's partner in MAWICK, LECO & CO, of Tetuan, who are on the Statutory List.

If you wish, I can let you have my copy of the Glossary but until Masterman mentioned this matter to me it did not occur to me that you might not know all about SOFINDUS.

Yours sincerely,

H.L.A. Hart

I happened to meet Guy Liddell to-day and showed him the attached first effort of a glossary of words used in the "GOFINUS" messages.

2. He said he thought that it might interest you and I, therefore, send you this copy. He added that when he comes back from leave he proposes to have a talk with you upon the lines in which he thinks further researches might be made.

3. Meanwhile, if there is anything that we can do to help perhaps you would be kind enough to get in touch with J.B. LINDON, of the Black List Section of this Ministry - Room 421, Lansdowne House.

4. We have not yet reached the stage of being able to draw up an accurate connected story of all these transactions: - that will come later.

I would like to hear from you soon. Please write when you have a chance. I am always with you in spirit.

The image is a very faint, low-contrast scan of a document page. It appears to be a technical drawing or a map, with various markings, symbols, and lines scattered across the page. The markings are difficult to discern due to the low contrast, but they seem to include small circles, lines, and possibly some text or labels. The overall appearance is that of a historical or archival document that has been poorly scanned.
